INFORMATION ABOUT THE COURSE

The General English course will boost your confidence to communicate in English effectively, both with native and non-native English speakers, in the classroom environment as well as in real life situations.

Your English teacher will use a course book and supplement lessons with authentic material and meaningful communicative activities.

You will also have an amazing opportunity to practise your new English Language skills around Malta as you explore the island!

This course is available at all levels from Beginner (A1) to Advanced (C1).

ABOUT EASY JOB BRIDGE

Easy Job Bridge operates in the realm of organising work placements and study visits. Our strong point is logistical operations where programmes are tailor made to fit our clients' needs.

Be it placing students in the right work placements in order to enhance their skills and learn how to live in a new culture or bringing like-minded professionals together to discuss points of interest and exchange best practices between countries, we have the right people in the team to ensure a smooth and successful programme implementation in Malta.

The company has an extensive network in Malta extending to the private and public sectors alike and it is through this strong network of local and International organisations that it ensures fruitful work placements and study visits alike.
